

COACHES - A NOTE FROM AREA 1D DIRECTOR

Upper Division Coaches,

Attached is the latest Coach List through this morning - 9/5/2007. Thanks to those coaches who submitted their documentation on time.

The documentation required to coach in Area 1-D upper division was due last week. The only viable excuse for not submitting a correct roster is the issue about late order of uniforms. It is my understanding that all uniforms have been delivered. The coaches who have **NO** under the coach card column will not be issued a Coach Authorization Card until documentation requirements have been met. If you have items to submit, please drop them off in the blue tote box on my porch. Some typical items that are keeping coaches from the issuance of the card are as follows:

- No roster submitted
- No uniform colors
- No Player Representative
- No Player Representative Agreement
- Coach does not have the appropriate coach training
- Coach not registered for FS2007
- Roster submitted contains errors:
 - Roster incomplete
 - eAYSO roster missing information contained on the Excel version
 - Roster contains handwritten information
 - Roster not signed
 - No jersey numbers
 - No registration numbers
 - etc.
- Assistant Coach listed on signed roster but no documentation submitted
- Assistant Coach not listed on the signed but documentation was submitted

Please note that a final coach list will be sent to ARA Rick Roberts for distribution to our referees in order for them to know who is and who is not authorized to coach.

Coach Authorization Card distribution will be Friday, September 7 and start at 8:00PM. The location will be at my house - it is the address that you have place on the back of each of your laminated coach and player picture ID cards. Check with your RC and/or Upper Division Commissioner on the process they want to follow for the distribution of the cards.

If you have any further questions, contact me.

Good luck this season.

Danny Juarez, Area Director
